A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Play a key role in ensuring the success of our projects and join our team in Schönaich (near Böblingen) Baden-Württemberg, as:

Electrical Design Engineer (all genders) - full-time (40 Std.)

Where you keep things moving

- You will **design and plan** the electrical engineering for our control systems
- As an electrical design engineer, you will draw up the **technical documentation** for control cabinet construction, electrical installation and software commissioning in accordance with current standards and regulations
- You will **define** the **project planning** and **engineering processes** and develop your own standards

How to reach your destination

- You have a **degree** in **electrical engineering**, are a **state-certified technician** or a proven **practitioner** (electrical engineer/master craftsman)
- You have **extensive experience** with the EPLAN P8 CAE system and are fully up to date with the applicable norms and standards in electronics as well as the Machinery Directives
- You **communicate** confidently in German and English, are approachable and enjoy working as part of a team
- You **work** independently, in a structured manner and with a high degree of accuracy

Benefits all the way

- A **structured onboarding process**, personalised mentoring and professional dialogue with colleagues will ensure you get off to a good and clear start
- Up to **50% mobile working**
- For this role, a gross monthly salary of between €4,000 up to €5,500 (full-time) is offered, depending on your **qualifications and experience**

Not yet in Ettlingen/Schönaich?

We will help you to settle in quickly, no matter what stage of life you are in – we will find a solution. If you move to Ettlingen or Schönaich, you will receive a relocation allowance from us. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary will depend on your qualifications and experience and will be discussed with you personally.
