

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in **Ettlingen, Baden-Württemberg** as:

Elektroniker Automatisierungstechnik - Vorinbetriebnahme (m/w/d) - full-time (40 hrs)

Where you keep things moving

- You commission **BUS systems** (Profinet/ASI bus), scanners, motors and cameras)
- You work with the **TIA portal** and parameterize frequency controlled engines
- You set the speed and rotation directions of **roller motors** to ensure smooth operation
- You check and adjust sensors and valves to meet the high standards of our projects

How to reach your destination

- You have completed **vocational training in electrical engineering**, a master craftsman's qualification or a degree in electrical engineering (initial experience in **commissioning complex systems** is an advantage)
- You are proficient in working with **PLC controls** (focus: Siemens)
- You communicate confidently in **German and English** and enjoy working with different teams
- You love the **variety of different project deployments domestically and abroad** (100% of your working time)
- You have a car driving licence

Benefits all the way

You will be fully prepared for your role through a structured onboarding process. With our **“business trip carefree package”**, we will take care of transfer, flight & accommodation so you can fully focus on your tasks. You will also benefit from our **10/4 rule: 10 days on, 4 days off** - giving you plenty of time to relax and recharge your batteries.

Not yet in Ettlingen?

No problem – for this position, it doesn't matter where you live since you'll be traveling a lot. Your onboarding will take place in Ettlingen, where you'll get to know our team and your responsibilities. If you wish to move to Ettlingen permanently, we're happy to support you with a relocation allowance. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary will depend on your qualifications and experience and will be discussed with you personally.
