

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in **Ettlingen, Baden-Württemberg** as:

Project Manager Onsite - electrical (all genders) - full-time (40 hrs)

Where you keep things moving

- You will **manage our projects** on-site at client premises and be responsible for ensuring they are completed on time.
- You will be the **point of contact** for clients and partners and will attend all site meetings.
- You will plan and oversee the commissioning, performance testing and acceptance of the plant control systems, organise quality assurance measures and, with a **strong hands-on**

approach, be regularly on site to actively support implementation and all technical coordination.

How to reach your destination

- You enjoy travelling and ensure that everything runs smoothly on your project assignments both at home and abroad (100% of your working hours)
- You work independently and in a structured manner, are assertive, a strong leader and have several years' experience in project management
- You have a solid technical background – a degree in technology or engineering, a master craftsman's certificate in electrical engineering or a completed vocational qualification in electrical engineering with practical experience
- You communicate confidently in German and English and enjoy collaborating with different teams

Benefits all the way

You will be fully prepared for your role through a structured onboarding process. With our **"business trip carefree package"**, we will take care of transfer, flight & accommodation so you can fully focus on your tasks. You will also benefit from our **10/4 rule: 10 days on, 4 days off** - giving you plenty of time to relax and recharge your batteries.

- **Enjoy a great deal of freedom without traditional corporate thinking**, in a family-like environment
- **30 days of holiday** and **13 salaries** (Vacation and Christmas bonus)
- Support and **development opportunities to become a Project Manager (Construction Site)**
- Additional and social benefits, **company pension plan** and health promotion programmes
- **Bonuses**, anniversary gifts and numerous corporate benefits
- Company car & mobile phone

Not yet in Ettlingen?

No problem – for this position, it doesn't matter where you live since you'll be traveling a lot. Your onboarding will take place in Ettlingen, where you'll get to know our team and your responsibilities. If you wish to move to Ettlingen permanently, we're happy to support you with a relocation allowance. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary depends on your qualifications and experience and will be discussed with you personally.
