

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in **Ettlingen, Baden-Württemberg** as:

Projektleiter Elektrotechnik - Baustelle (m/w/d) - full-time (40 hrs)

Where you keep things moving

- You ensure that our projects run smoothly on site. Your focus will be on **managing and directing subcontractors** and quality assurance
- You **coordinate work assignments** on site and ensure that installations are carried out to our high standards
- You will be responsible for **commissioning systems** and independently testing **electrical installations**
- You handle work preparation, track material usage and ensure complete documentation

How to reach your destination

- You enjoy travelling and have experience in electrical installation - this is how you ensure that your project assignments domestically and abroad (100% of your working time) run smoothly
- You have a **profound technical education** - a degree in technology/engineering, a master's degree in electrical engineering or a completed apprenticeship in electrical engineering with practical experience
- **You communicate confidently in German and English** and enjoy working with different teams
- You work independently and in a structured manner

Benefits all the way

You will be fully prepared for your role through a structured onboarding process. With our **“business trip carefree package”**, we will take care of transfer, flight & accommodation so you can fully focus on your tasks. You will also benefit from our **10/4 rule: 10 days on, 4 days off** - giving you plenty of time to relax and recharge your batteries.

- **Enjoy a great deal of freedom without traditional corporate thinking**, in a family-like environment
- **30 days of holiday** and **13 salaries** (Vacation and Christmas bonus)
- Support and **development opportunities to become a Project Manager (Construction Site)**
- Additional and social benefits, **company pension plan** and health promotion programmes
- **Bonuses**, anniversary gifts and numerous corporate benefits
- Company car & mobile phone

Not yet in Ettlingen?

No problem – for this position, it doesn't matter where you live since you'll be traveling a lot. Your onboarding will take place in Ettlingen, where you'll get to know our team and your responsibilities. If you wish to move to Ettlingen permanently, we're happy to support you with a relocation allowance. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary depends on your qualifications and experience and will be discussed with you personally.
