

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Would you like to live in Poland while working on interesting international projects in Germany and Europe? Look forward to maximum flexibility through a remote position in Poland, combined with in-person assignments at our on-site projects. This way, you'll work internationally, gain valuable experience, and remain flexible regarding where you live in Poland.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in **Ettlingen, Baden-Württemberg** as:

PLC programmer (all genders) - full-time (40 hrs)

Where you keep things moving

- **You develop complex PLC software** for systems with up to 60 controllers for the efficient automation of facilities
- **You accompany major projects** for our customers in the field of intralogistics from the initial idea to the finished installation

- **You commission systems on site** and train customers in the use of our solutions while travelling in Germany and abroad (approx. 50% of your working time)

How to reach your destination

- **Completed studies** in electrical engineering or automation technology, degree as a technician with a state exam or proven practical experience (electrical engineer/master technician)
- **At least 5 years of professional experience** in a comparable position and experience in intralogistic
- **Profound expertise** in working with Siemens STEP 7 and TIA Portal as well as the programming languages SCL, AWL and KOP
- Comprehensive **knowledge of electronic motion technology and field bus systems**
- **German at A2** level and **fluent in English**

Benefits all the way

- A structured onboarding process, personalised mentoring and professional dialogue with colleagues will ensure you to get off to a good and clear start
- Willingness to travel for business trips to our location in Ettlingen, Germany, including full reimbursement of expenses
- With our "business trip carefree package", we will take care of transfer, flight & accommodation so you can fully focus on your tasks. You will also benefit from our 10/4 rule: 10 days on, 4 days off - giving you plenty of time to relax and recharge your batteries.
- Remote work in Poland with project-based on-site assignments under Polish labor law
- For this position, we offer a gross monthly salary of € 4.200 to € 5.500 (full-time) depending on qualifications and experience
