

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen we employ around 200 people from over 28 nations. Our international clients such as Amazon, DHL, Kaufland or Berlin airport appreciate our modern work mentality and have been relying on our support for years.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in Ettlingen, Baden-Württemberg as:

Commissioning Engineer Automation Technology (all genders) - full-time (40 hrs)

Where you keep things moving

- You will be responsible for **installing sensors** and **valves** and adjusting them in accordance with the requirements.
- You will carry out the **adjustment** of **frequency-controlled motors** and set the **speed** and **direction of rotation** of the **roller motors**.
- You will carry out the **commissioning** of the **BUS systems** (Profinet/ASI-Bus) as well as the **scanners** and **cameras**.

How to reach your destination

- Successfully **completed training** as an **electronics technician** or **mechatronics technician**; also suitable for those starting their careers.
- **Initial professional experience** in the **commissioning** of complex systems is desirable.
- **Basic knowledge** of **PLC control systems**, particularly **Siemens**, is an advantage.
- **Strong communication skills**, a **professional manner** and a **willingness** to undertake **business travel** across Europe (100% of working hours).
- Opportunity for **career progression** to become a **PLC programmer**, with the possibility of taking on the **final commissioning** of **control systems** for logistics facilities in the future.

Benefits all the way

- A structured onboarding process, personalised mentoring and professional dialogue with colleagues will ensure you to get off to a good and clear start
- With our "business trip carefree package" we will take care of transfer, flight & accommodation so that you can fully focus on your tasks. You will also benefit from our 10/4 rule: 10 days on, 4 days off - giving you plenty of time to relax and recharge your batteries
- For this position we offer a gross monthly salary of € 3.750 to € 4.000 (full-time), depending on qualifications and experience

Not yet in Ettlingen?

We will help you to settle in quickly, no matter what stage of life you are in – we will find a solution. If you move to Ettlingen, you will receive a relocation allowance from us. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary will depend on your qualifications and experience and will be discussed with you personally.
