

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in Ettlingen, Baden-Württemberg as:

Site Manager - electrical (all genders) - Vollzeit (40 Std.)

Where you keep things moving

- You ensure that operations run smoothly on-site for our projects. Your focus is on **managing and supervising subcontractors** as well as quality assurance
- You **coordinate work assignments** on the construction site and ensure that installations are carried out according to our high standards
- You will be present on site with a **strong hands-on approach**, actively participating in the work and ensuring everything runs smoothly by closely supervising installation, commissioning and technical coordination

- You handle all work preparation, track material usage, and ensure complete documentation

How to reach your destination

- You enjoy being on the move and have experience in electrical installation – this means you can ensure everything runs smoothly on your project assignments both at home and abroad (100% of your working hours)
- You have a solid technical background – a technical qualification, a master craftsman's certificate in electrical engineering, or a completed vocational training course in electrical engineering with practical experience
- You communicate confidently in German and English and enjoy working with different teams

Benefits am laufenden Band

- A **structured onboarding process**, personalised mentoring and professional dialogue with colleagues will ensure you to get off to a good and clear start
- **Company car and company phone**, also for personal use
- With our "**business trip carefree package**", we will take care of transfer, flight & accommodation so you can fully focus on your tasks. You will also benefit from our **10/4 rule: 10 days on, 4 days off** - giving you time to relax and recharge your batteries.

Not yet in Ettlingen?

No problem – for this position, it doesn't matter where you live since you'll be traveling a lot. Your onboarding will take place in Ettlingen, where you'll get to know our team and your responsibilities. If you wish to move to Ettlingen permanently, we're happy to support you with a relocation allowance. If you are not yet proficient in German or English, you can take part in

language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary depends on your qualifications and experience and will be discussed with you personally.
