

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Join us in shaping the intralogistics solutions of tomorrow and become part of our team in **Ettlingen, Baden-Württemberg** as:

Engineer Plant Visualisation SCADA/HMI (all genders) - full-time (40 hrs)

Where you keep things moving

- You will develop **applications** for new installations and be responsible for the migration and upgrading of SCADA/HMI solutions at our customers' existing sites
- You will be responsible for **implementing** plant visualisation in complex large-scale projects involving up to 60 control systems
- You will carry out system **tests as part of the testing and commissioning process** and be responsible for the commissioning of SCADA/HMI solutions

How to reach your destination

- **Degree in Electrical Engineering / Automation Engineering** or a qualification as a **State-Certified Electrical Engineering Technician**
- **Several years' experience** working with WinCC ideally also with Ignition
- Experience with **WinCC-VBA, HTML, JavaScript** and **Windows operating systems**
- Excellent knowledge of **German and English**

Benefits all the way

- A **structured onboarding process**, personalised mentoring and professional dialogue with colleagues will ensure you to get off to a good and clear start

Not yet in Ettlingen?

We will help you to settle in quickly, no matter what stage of life you are in – we will find a solution. If you move to Ettlingen, you will receive a relocation allowance from us. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary will depend on your qualifications and experience and will be discussed with you personally.
