

A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Join our groundbreaking projects and become part of our team in **Ettlingen, Baden-Württemberg** as:

Projektleiter Vertrieb (m/w/d) - full-time (40 hrs)

Where you keep things moving

- You **develop technical concepts** and create the overall calculation in the quotation phase based on your analysis of the technical requirements. You have the freedom to work in a wide range of areas.
- You are in **constant contact with customers**, support them with their inquiries and present projects to the operational management and the relevant specialist departments after they have been commissioned.
- You carry out a **comprehensive results analysis** and a target/actual comparison after a project has been completed and manage increasingly larger projects up to the double-digit million range.

How to reach your destination

- **Completed degree** in electrical engineering or **qualification as a certified technician**
- At least **5 years of industry experience** in a comparable position with knowledge of automation technology, intralogistics, project business or sales
- **Strong communication skills** and enjoyment of cross-departmental collaboration
- Fluent in **German** and very good **English** skills
- Proficient in Microsoft Office, particularly **MS Excel**

Not yet in Ettlingen?

We will help you to settle in quickly, no matter what stage of life you are in – we will find a solution. If you move to Ettlingen, you will receive a relocation allowance from us. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary will depend on your qualifications and experience and will be discussed with you personally.
