

## A team in motion.

We are leaders in the development and installation of customized control solutions in the field of intralogistics. Our teams are active throughout Europe and work in a family-like environment that respects the value of their performance. At our site in Ettlingen, we employ around 200 people from over 28 nations. Our international clients, such as Amazon, DHL, Kaufland, Würth and Berlin airport, appreciate our modern work mentality and have been relying on our support for years.

Play a key role in ensuring the success of our projects and join our team in **Ettlingen, Baden-Württemberg**, as:

## Electrical Design Engineer (all genders) - full-time (40 hr)

### Where you keep things moving

- **You will design and plan** the electrical engineering for our control systems
- **As an electrical design engineer, you will create technical documentation** for control panel construction, electrical installation, and software commissioning in accordance with current standards and regulations
- **You will define** the project planning and engineering processes and develop your own standards

## How to reach your destination

- **You have** a degree in electrical engineering, are a state-certified technician, or a proven professional (electrical engineer/master)
- **You have extensive experience** with the EPLAN P8 CAE system and are up to date on current standards and regulations in electronics as well as machinery directives
- **You communicate** confidently in German and English, have a friendly demeanor, and enjoy working in a team
- **You work** independently, in a structured manner, and with a high degree of precision

## Benefits all the way

- Plenty of freedom without the typical corporate mindset, in a friendly, family-like environment
- Up to 50% remote work
- 30 days of vacation and 13 monthly salaries (vacation pay and Christmas bonus)
- Additional benefits and social benefits, a company pension plan, and health promotion programs
- Performance bonuses, anniversary gifts, and numerous company benefits

## Not yet in Ettlingen?

We will help you to settle in quickly, no matter what stage of life you are in – we will find a solution. If you move to Ettlingen, you will receive a relocation allowance from us. If you are not yet proficient in German or English, you can take part in language courses free of charge. There is also a subsidy for childcare, because it is important to us that your family feels at home here.

Your salary will depend on your qualifications and experience and will be discussed with you personally.
